

Hi Everyone!

(or at least, Everyone Who's Reading This, and if you're not, you may not be fully aware of your own actions...)

Hope you've had a good summer, refreshing you for the challenges ahead, as we gingerly head towards autumn...

But, Never Fear! All we have to fear is wear-iness itself (sorry - Ed.) - and fortunately we have plenty of fresh-sounding jazz gigs with which to revive you!

It's gonna feel like an Indian summer - we guarantee it, or your money back*

[*You have not paid anything for this - Ed.]

As usual, first are some pix of last month's gigs, then our listings in date order for the next few weeks :-)

This lot also appear on our Events page as always.

Alfriston: New Residency: An exciting new monthly residency started on the 7th August at Alex Polizzi's hotel The Star, in Alfriston!

Yep, Neal's Duo with Miles Danso (bass) will be there (outside on the Terrace weather permitting) on the first Sunday of each month :-)

Then, while the "management" steamed off to France...

to play in a French marquee... meanwhile in...

Seaford: the gorgeous **Lo Polidoro** and her merry men filled in at our Seaford Club:

In fact, she was so popular that apparently nobody really wants Neal back! 😊

Cooden: The Relais Cooden Beach Summer Chillout carried on with guests Andy Williams (gtr); Fiona Hosford (harp); Tony Williams (gtr) and then...

...Miles Danso and Sue Richardson at the Summer Chillout at the gorgeous Relais Cooden Beach. It's every Sunday at 4pm (see gig listings below for guest details)

London: The Marquis gigs with guest musicians Tony Williams (gtr); Alex Eberhard (yes, on guitar/vocals); Lucy Pickering (pno/vocals); Nigel Price (gtr); and Neal. (Sorry there were no paparazzi present) We're hoping to convert this one into a regular from next month

Seaford: 🏳️‍🌈 **SEAHAVEN PRIDE FESTIVAL** on the 27th August 🏳️‍🌈

We were there and it was a SMASH - with nearly double the audience from the 1st one last year :-)

We were **VERY Proud** to have sponsored this :-) 🏳️‍🌈 #onelove #seahavenpridefamilyfestival 🏳️‍🌈

Eastbourne: Our monthly Splash Point Jazz Club night in “the UK’s sunniest town” had the mellifluous soaring melodies of Adam Glasser’s harmonica, backed by a first class band.

PRESS COVERAGE and Guns For Hire!

An AMAZINGLY GOOD full-page writeup of our July Seaford gig is in this month’s Seaford Scene! Get yourself a copy. “Close my eyes and I could have been in Ronnie Scott’s Jazz Club”

Also here’s Neal with Miles Danso at a private party - YES WE DO THOSE TOO! Get in touch. Solo to 7-piece band.

80s FLASHBACK: Just to make you laugh:...

If you’ve read this far, you deserve a laugh. Somebody sent us a truly worrying pic of Neal from his rock-band-drummer days! 🤪😂

We can’t go in to detail for legal reasons...
